Introduction

Torres Winery in Pacs - Witness for yourself the thousand year old tradition of winemaking. You will be surprised to find the very latest technology working hand in hand with tradition. Tunnel of the Seasons... live the experience of a year in the vineyards through the Tunnel of the Seasons, an area for visitors to our winery where you can experience the climatic contrasts of the vine's annual cycle as well as hear and smell the environment that surrounds it. At our most representative winery you will see a thousand year old tradition at work, winemaking. You will be astonished to find the most sophisticated technology at the service of tradition. At Torres we are experts at combining the best of the past with that which is most modern and yet to come. The tour lasts an hour and begins within our splendid and vast visitors centre (1300 m²) with a video detailing our history. At Pacs you will be able to get to know the vineyard where our mythical Mas la Plana is born. You will learn the how and why of our way of grape cultivation and harvesting. You will be able to learn how we receive the grapes, vinify them and then see the vast underground storage cellars. You will walk among barrels and smell the wine as its ages. You will draw closer to the secret of making fine wines.

So as to leave with the best impression of the Penedès you will also take part in a tasting of our products at our special tasting centre.
