Introduction

Seville was at one time **Spain's largest city**, the gateway through which the riches of the New World poured. It could be that Seville learned to enjoy the finer things in life in the days of the Moors, when it was the capital of King Al-Mutamid, known for his love of poetry and music. The Moors left behind **marvelous examples of their architecture**, such as the **Giralda**, at one time a minaret and today part of **Sevilla's cathedral**.
