Introduction

Granada, an evoking city where multiple civilizations that once lived on Andalusian soil left a cultural legacy that is a marvel of the world.

The Alhambra is the joy that crowns this beautiful city at the foot of the Sierra Nevada mountain range. We will visit the Nazarian city, the Alhambra, where every inch squared is a work of art. During our visit of the palaces, grand halls, rooms and exquisite gardens, we'll understand why the last Arabic king cried, retreating as the Catholic Kings conquered it.

We'll then meander through the Generalife gardens with an official guide, these gardens being some of the most impressive in the world. At the end of the visit you'll have time to relax in Granada before finally returning to Seville, never to forget this most spell bounding of experiences.
