Introduction

Discover the beautiful city of **Gibraltar**, a unique destination with a life that goes beyond its surface.

Rising up as an indomitable peak at the gateway **between Spain and the African coast** we can find Gibraltar.

The monolithic **Rock of Gibraltar** entices tourists with its lush greenery and the friendly Barbary Macaques ubiquitous to the area.

Long famous as the key to the Mediterranean, Gibraltar has been a **British Overseas Territory** since 1713 after being seized during the War of Spanish Succession. Near the southern tip of the Iberian peninsula and overlooking one of the world`s busiest shipping lanes, the Rock of Gibraltar, as it`s still often known, rises out of the sea on the east side of **Algeciras Bay** and is **linked with mainland Spain by a narrow isthmus.**

On the way back from Gibraltar, we cannot miss **Puerto Banús**, the **luxury marina** and shopping complex built in May 1970 by José Banús, a local property developer that has since become one of the largest entertainment centres in the Costa del Sol and **Marbella old town**, with its narrow streets with their nooks and crannies, historic buildings, shops, boutiques and galleries, which make it a very rewarding experience.
