Introduction

On this full day small group premium tour from Madrid you will enjoy guided walking tours in three UNESCO Cities: Segovia, Avila and Toledo

SEGOVIA:

Segovia is an ancient city of Roman origin. Amongst its many historical monuments are the Aqueduct which was built during the reign of Caesar Augustus, the Gothic Cathedral and the 11th Century Alcazar, which are all included on our walking tour.

AVILA:

The city of Avila is the birthplace of Santa Teresa. the city also houses many art treasures, being the main one the 11th Century walls which offers one of the best examples of a medieval walled city. Also, the Gothic Cathedral is one of the oldest in Spain.

TOLEDO: Also known as the city of three cultures due to its long-standing Christian, Jewish and Muslim tradition .

The last stop before returning to Madrid is Toledo. Here you will visit one of the city's most magical and hidden gems, a monastery of nuns, where we will taste typical Toledan marzipan. The nuns will show us a recipe that has been passed down from generation to generation to these days.

At the end of your tour you will return to Madrid in a comfortable minibus
